

FAQ

Pope Francis CES and Our Lady of Fatima CES Boundary Study

When will a decision be made regarding the boundary study?

The Board of Trustees will consider the matter at the Regular Meeting of the Board scheduled for February 27, 2018.

Is there a Before and After school program at Pope Francis CES?

Yes, a Before and After School Program is offered at Pope Francis CES.

The Ministry of Education has also approved funding for a Child Care Centre at Pope Francis CES. The centre is expected to open in 2019.

Can my child attend a different school (other than what is approved in the Boundary Review)?

As per the YCDSB's Admission to Elementary Schools Policy, 226A, students wishing to attend a school, yet residing outside the school boundary area, may apply via an Out of Boundary/Out of Region Form (**TCH 19**). Accommodation for pupils within the defined boundary of a school must be given first priority. Therefore, a school experiencing overcrowding or anticipating significant growth must be restrictive in the number of students permitted from outside the school boundary.

Out of Boundary students are not entitled to school transportation services, and parents/guardians must provide transportation to the school.

Will my child qualify for busing?

As per the YCDSB's Student Services Transportation Policy, 203, students in Kindergarten through Grade 3 are eligible for busing if they reside in the school boundary and reside further than 1.2 km from the school. Students in Grades 4 through 8 are eligible if they reside in the school boundary and reside further than 1.6 km from the school.
