

# French Immersion Boundary Map

## Host School: ST. EDWARD

## St. Edward Catholic Elementary School Single Track French Immersion Boundary Study Complete!

### Summary

On December 16th, 2014 the Board of Trustees approved "Transition Option A", and St. Patrick CES as the new receiving school for the current St. Edward CES English track boundary.

Transition Option A results in FDK and Grade 8 being offered at St. Edward CES in September, 2015. After the 2015/16 school year, there will no longer be any English track programs at St. Edward CES. With St. Patrick CES being approved as the receiving school, the boundary of St. Patrick CES will be modified to also include the current English track boundary of St. Edward CES (as seen in the map below).

An open house session was held on December 4th, 2014 at St. Edward CES in Markham. The local Trustee, the Chair of the Board, the Superintendent, Principal, Child Care, Planning and Transportation staff were available to exchange ideas and information regarding the boundary transition options and receiving schools, and to receive public comments and concerns. In addition, Feedback Sheets were distributed requesting responses by December 9th, 2014.

### Will my registration be transferred automatically?

All of the English track students who reside within the current St. Edward CES English track boundary will automatically be registered to attend St. Patrick, CES in September, 2015.

Anyone from outside the current St. Edward CES English Track boundary must apply through a TCH19 form to be approved by the Superintendent. All students that currently have TCH19 status in the St. Edward CES English track program will be given a space at St. Patrick CES if requested.

JK and SK will be offered at St. Edward CES in September, 2015. Priority is given to siblings of existing French Immersion students, any other students wishing to attend must apply through a TCH19 form. There will be NO JK or SK at St. Edward CES in September, 2016.

### Will my children qualify for transportation?

All of the English track students who reside within the current St. Edward CES English track boundary would be eligible for transportation to St. Patrick CES

### Who do I call for additional information?

## St. Patrick, Markham CES Approved Attendance Boundaries

Effective: September, 2015
